He and the other passengers then experienced quite a different reaction when informed that the man did not make it. Like these plane passengers, he said, we need this pause in our busy lives to gain perspective on life, its meaning and its value. He said that Memorial Day is a day of honor to all dead but even more he said it is a day to remember and to honor those men who recently returned from Vietnam. Because this war was a long conflict, dimly understood and unpopular in the extreme, the returned Vietnam fighting man has received little acclaim and

Rev. William McClenahan, pastor of St. Anthony's Church, led the gathering in prayer. Susan Sanderson read Lincoln's Gettysburg Address.

Music was by the Old Hammondtown Band and the Portuguese American Band. The Old Rochester Band played in the parade.

After the exercises at the library the parade proceeded to the wharf for the memorial wreaths to be tossed upon the sea. The parade then marched to Cushing Cemetery for ceremonies there. Rain began to fall as the parade left the cemetery.

Parade Marshals were Lt. Col. George White and Major Charles Morgan.

ROCHESTER RACE FINISH LINE

A hotly contested final effort swamped one boat at the finish line resulting in an unplanned swim for 2 contestants in left top photo. At right top a second photo finish. Lucy Othermedecine and Lori Hartley come in strongly at left bottom. Michael and Roland Martin, defending their title, are shown stroking toward a second place finish.

35 BOATS FINISH RIVER RACE

A huge field of boats competed on the Mattapoisett River in the annual Rochester Memorial Day boat race. An icy cold did not cool the enthusiasm of the huge crowd which saw the race start at Grandma Hartley's Pond, followed the progress at various points along the way and cheered the finishers at the Herring Weir. The winning effort was turned in by Stephen Plaud of Rochester and Rocky Fleurent of New Bedford in a time of 2 hours, 21 minutes and 6 seconds.

James Hartley, 78, the originator of the race, was starter as he has been for the past 40 years. Michael Martin and Roland Martin of Rochester were second. They were last year's defending champions. Third was Ken Hathaway, Jr. and Brian Sherman of Rochester. Fourteen teams competed in the junior division for competitors of 13 or younger. Kevin Peirce and Warren Benner won plaques for the first place time of 2 hours, 44 minutes and 17 seconds for that division.

Hay fever victims are advised to wear glasses, and preferably the large type, during "the season" to avoid the possibility of pollen becoming trapped in the eyes. They should also keep doors and windows closed, particularly on windy, dry days. An air-conditioner turned to "recirculate" is helpful. On high count days, staying home is recommended. Household, garden and insect sprays, and solutions with strong odors should be avoided.

SNAKES OK'D FOR PUBLIC HOUSING

Following a complaint that 2 six foot Boa Constrictors are kept as house pets at Homestead Court Selectmen turned the matter over to the Mattapoisett Housing Authority.

The Housing Authority replied on May 23rd, through a letter from Janet M. Kennedy, secretary, to the Board of Selectmen as follows: The Board wishes to inform you that the situation concerning the boa constrictors on Homestead Court, which Ms. Mendell contacted you about on Saturday, May 18th, has been reviewed and apparently the keeping of reptiles under supervision is not in violation of any existing authority regulations.

George Hall, executive secretary for the Selectmen, has written to Malcom Graf of the State DPW in regards to the riprapping of the Eel Pond entrance. Land Use Discussion

The Mattapoisett Land Use Study Group of the Marion-Mattapoisett League of Women Voters will meet next Wednesday, June 12th, at the Long Plain Road home of Judy Riley at 3:15 P.M.

Any resident of Mattapoisett who has attended one of the group's previous meetings, or any resident of the town who is concerned about Land Use policy, zoning laws, pollution control and other vital issues, is strongly urged to attend.

The meeting is a most important organizational meeting and will decide the aim and direction of the study for the following year. Also discussed will be a "Know Your Town" study, chairwomen for various groups and a summer meeting schedule.

It is vital, to retain the importance of this study group, that all members and interested citizens attend.

Babysitting will be available at Peggy Ruopp's home, 18 Cannon Street.

'Cabaret' at Art Center

The Marion Art Center production of "Cabaret" will be presented the weekends of June 13, 14,15,20, 21, and 22 under the skillful direction of Mrs. Nancylee Gaucher.

Those who have seen the Oscar-winning movie version will find the stage play much different. There is, for one thing, no primary "star" such as Liza Minnelli portrayed. Instead there are four or five major characters who thread plots and counter-plots throughout. There is also the addition of an older couple in the stage production... a German landlady and a Jewish storeowner ....whose latent life love is shattered by

Activities for Youth

Recently the Board of Selectmen of Mattapoisett appointed a Youth Committee to investigate the needs of the young people of their town. It was the Selectmen's hope that a program could be established which would provide whatever recreational and entertainment opportunities were needed.

The members who agreed to serve on this committee (Messrs. Robert Gardner, Girard Oliva, Michael O'Brien and George Liberty and Mrs. John Brennan) have met several times over the last month: first, alone to determine what priorities they felt should be set, then, with a group of representative young people to find out what they wanted to see accomplished.

It was immediately apparent that everyone involved felt that priority should be given to setting up a teen drop-in center, which would be open at least two nights a week to Junior and Senior High School students. Working from that point, it became increasingly clear that what these young people want and need is something to do--particularly on summer evenings--with their free time.

Many worthwhile suggestions were made by the Youth Advisory Group (which is made up of two Mattapoisett representatives of every grade level in the Junior and Senior High Schools). Some of the programs will hopefully be worked out with the Sports Committee--others will be implemented by the Youth Committee itself; with the help of interested town residents.

The Youth Committee is now in the process of looking for a place to establish a teen drop-in center on Wednesday and Sunday evenings. Tentative plans have been discussed for a series of dances and movies to be run over the summer months. Consideration

is being given to setting up a night basketball program for both boys and girls. So many activities have been proposed that every teenager in town should find something of interest.

However, the success of any of the programs will depend on the co-operation of young people and adults alike. It is the hope of the Youth Committee that a program can be established for teenagers which will be as successful as the one set up for Senior Citizens.

TRIPS - OND DAY SUNDAY TOURS

"Never on Sunday" is a good Greek Dance. It starts with a "stomp". How nice to "never be lonely on Sunday". The trip coordinator has been told that Sunday is a lonely day for some. They miss the weekday activities and others do not wish to drive on the busy highway. So! just go! on a Sunday Tour and "Stomp" around sightseeing. These tours will be a time for get-togetherness for those that are free on Sunday. Details on the following trips are posted on the bulletin board at the Town Hall: Sunday, June 9th and 16th, Newport, Rhode Island; June 30th, Mystic Seaport, Connecticut; July 7th, Benson's Wild Animal Farm, the strangest farm on earth. Price will include transportation and admission. Book and reserve your seat at the Council on Aging Service Center, Town Hall, telephone 758-4307 on Tuesdays from 1:30 to 3:30 P.M. Trips are open to Mattapoisett and area seniors and other adults.
